## 10 Member Declaration

I wish to become a member of the Yorsipp Registered Pension Scheme.

I understand that I will only be eligible to receive tax relief on my contributions if I meet at least one of the following criteria:

- I have relevant UK earnings chargeable to UK income tax for that year; or
- I have been tax resident in the UK at some time during that year; or
- I was tax resident in the UK at some time during the five tax years immediately before that year and when I became a member of the pension scheme; or
- I or my spouse / civil partner have, for that year, general earnings from overseas Crown employment subject to UK tax.

I agree to be bound by the Trust Deed and Rules of the scheme and as amended from time to time.

I have received and read the Yorsipp Prestige SIPP Key Features.

I declare that the 'total' contributions to any UK registered pension scheme in respect of which I am entitled to receive tax relief, will not exceed the higher of the basic amount or my relevant UK earnings and in any event shall not exceed the Annual Allowance as determined by HM Revenue & Customs. I understand that the reduced Money Purchase Annual Allowance will apply where I have accessed benefits flexibly from any UK Registered Pension Scheme.

I declare that to the best of my knowledge and belief the information provided on this form is correct and complete. I further declare that to the best of my knowledge and belief the above declaration concerning tax relief is correct.

I declare that I will give notice to the Scheme Administrator if an event occurs which may affect my entitlement to tax relief on my contributions by the later of 5 April in year of assessment or 30 days from the date of its occurrence. These include:

- I cease to be a UK resident
- I contribute in excess of the basic amount, 100% of my earnings or the annual allowance (whichever is lower)
- I cease to have UK relevant earnings
- I access pension benefits flexibly from any UK Registered Pension Scheme
- I change my permanent residential address
- I apply for or lose any protection against the Lifetime Allowance Charge

I understand that if I have not used all of my Annual Allowance in one or more of the last three tax years, it may be possible to carry forward any unused amounts to the current tax year. There is no carry forward of the Money Purchase Annual Allowance.

I accept the Yorsipp Ltd and Yorsipp (Trustees) Ltd fees (as amended from time to time) and that they will be deducted from my fund. Should additional administration require to be carried out by Yorsipp I understand and accept that an extra cost may be incurred and applied to my fund.

I consent to my Financial Adviser receiving fees as detailed in the Financial Adviser Details section until such a time as I cancel them in writing. I understand this is an agreement between me and my adviser and that Yorsipp simply facilitates the payment. Due to the strict rules surrounding payments made from a pension scheme, I understand that Yorsipp may request further information from my financial adviser before making a payment.

I understand and accept it is my responsibility to ensure that the appropriate cleared funds are available to pay any fees (financial adviser or administration) that are due to be paid from my fund.

In the event that insufficient liquid funds are available within my SIPP for Yorsipp's fees to be deducted, I understand and accept that Yorsipp may invoice me directly.

I wish to nominate the persons named in the SIPP Member Expression of Wish form to receive any death benefits payable under the scheme on my death. I understand that this request does not bind the trustees of the scheme to carry out my wishes.

If this Application Form is being submitted in respect of a child under the age of 16 it is hereby declared that it is being signed on the child's behalf by a parent or legal guardian.

If this Application Form is being submitted in respect of a person who by reason of mental disorder is incapable of managing his affairs or by reason of physical disability has difficulty in signing documents for the management of his affairs it is hereby declared that it is being signed on that persons behalf by his/her attorney or guardian.

I understand that to comply with anti-money laundering rules, Yorsipp Limited and/or Yorsipp (Trustees) Limited must carry out various checks and procedures and will not be ready to commence work instructed by me or for me until these procedures have been completed to our satisfaction. I further understand that you may use the services of an electronic provider to verify any information provided to you.

### SIPP Cancellation Rights

When your SIPP is set up we will offer you the right to cancel your plan within 30 calendar days of us accepting your application. Within this period Yorsipp will retain all monies in your designated trustee bank account until the period is up before we can proceed with actioning your benefit and/or investment instructions.

If you wish to waive your right to this 30 day cancellation period and take your benefits and/or investments immediately you can complete the following waiver. (Please note you are unable to waive your right to cancel where your SIPP is set up wholly or in part by the transfer of deferred benefits from an occupational pension scheme).

I would like to waive my right to the 30 day cancellation period and I fully understand the implications of this, including the fact that once I have waived my right to this cancellation period, I will no longer be able to have any contributions made refunded or transfer payments automatically returned to the transferring pension scheme provider.

### Introduction

My personal data is data which by itself or with other data available to you can be used to identify me. You are Cater Allen Private Bank, the data controller. This data protection statement sets out how you'll use my personal data. I can contact your Data Protection Officer (DPO) at 201 Grafton Gate East, Milton Keynes, MK9 1AN if I have any questions.

Where there are two or more people named on this form, this data protection statement applies to each person separately.

### The types of personal data you collect and use

Whether or not I become a customer, you'll use my personal data for the reasons set out below and if I become a customer you'll use it to manage the account, policy or service I've applied for. You'll collect most of this **directly** during the application journey either from me or from my Financial Adviser if I have one. The sources of personal data collected **indirectly** are mentioned in this statement. The personal data you use about me as a personal or business customer (if I am one) may include:

- Full name and personal details including contact information (e.g. home and/or business address and address history, email address, home, business and mobile telephone numbers);
- Date of birth and/or age (e.g. to make sure that I'm eligible to apply);
- Financial details (e.g. salary and details of other income, and details of accounts held with other providers);
- Records of products and services I've obtained or applied for, how I use them and the relevant technology used to access or manage them (e.g. mobile phone location data, IP address, MAC address);
- Biometric data (e.g. fingerprints and voice recordings for TouchID and voice recognition);
- Information from credit reference or fraud prevention agencies, electoral roll, court records of debt judgements and bankruptcies and other publicly available sources as well as information on any financial associates I may have;
- Family, lifestyle or social circumstances if relevant to the product or service (e.g. the number of dependants I have);
- Education and employment details/employment status for credit and fraud prevention purposes; and
- Personal data about other named applicants. I must have their authority to provide their personal data to you and share this data protection statement with them beforehand together with details of what I've agreed on their behalf.

### Providing my personal data

You'll tell me if providing some personal data is optional, including if you ask for my consent to process it. In all other cases I must provide my personal data so you can process my application (unless I'm a customer and you already hold my details).

### Monitoring of communications

Subject to applicable laws, you'll monitor and record my calls, emails, text messages, social media messages and other communications in relation to my dealings with you. You'll do this for regulatory compliance, self-regulatory practices, crime prevention and detection, to protect the security of your communications systems and procedures, to check for obscene or profane content, for quality control and staff training, and when you need to see a record of what's been said. You may also monitor activities on my account where necessary for these reasons and this is justified by your legitimate interests or your legal obligations.

### Using my personal data: the legal basis and purposes

You'll process my personal data:

1. As necessary **to perform your contract with me** for the relevant account, policy or service:
  - a) To take steps at my request prior to entering into it;
  - b) To decide whether to enter into it;
  - c) To manage and perform that contract;
  - d) To update your records; and
  - e) To trace my whereabouts to contact me about my account and recovering debt.

2. As necessary **for your own legitimate interests** or those of other persons and organisations, e.g.:
  - a) For good governance, accounting, and managing and auditing your business operations;
  - b) To search at credit reference agencies at my home and/or business address (if I am a business customer) if I'm over 18 and apply for credit;
  - c) To monitor emails, calls, other communications, and activities on my account;
  - d) For market research, analysis and developing statistics; and
  - e) To send me marketing communications, including automated decision making relating to this.
3. As necessary **to comply with a legal obligation**, e.g.:
  - a) When I exercise my rights under data protection law and make requests;
  - b) For compliance with legal and regulatory requirements and related disclosures;
  - c) For establishment and defence of legal rights;
  - d) For activities relating to the prevention, detection and investigation of crime;
  - e) To verify my identity, make credit, fraud prevention and anti-money laundering checks; and
  - f) To monitor emails, calls, other communications, and activities on my account.
4. Based on **my consent**, e.g.:
  - a) When I request you to disclose my personal data to other people or organisations such as a company handling a claim on my behalf, or otherwise agree to disclosures;
  - b) When you process any special categories of personal data about me at my request (e.g. my racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership, genetic data, biometric data, data concerning my health, sex life or sexual orientation); and
  - c) To send me marketing communications where you've asked for my consent to do so.

I'm free at any time to change my mind and withdraw my consent. The consequence might be that you can't do certain things for me.

### Sharing of my personal data

Subject to applicable data protection law you may share my personal data with:

- The Santander group of companies\* and associated companies in which you have shareholdings;
- Sub-contractors and other persons who help you provide your products and services;
- Companies and other persons providing services to you;
- Your legal and other professional advisors, including your auditors;
- Fraud prevention agencies, credit reference agencies, and debt collection agencies when you open my account and periodically during my account or service management;
- Other organisations who use shared databases for income verification and affordability checks and to manage/collect arrears;
- Government bodies and agencies in the UK and overseas (e.g. HMRC who may in turn share it with relevant overseas tax authorities and with regulators e.g. the Prudential Regulation Authority, the Financial Conduct Authority, the Information Commissioner's Office);
- Courts, to comply with legal requirements, and for the administration of justice;
- In an emergency or to otherwise protect my vital interests;
- To protect the security or integrity of your business operations;

- To other parties connected with my account e.g. guarantors and other people named on the application including joint account holders who will see my transactions;
- When you restructure or sell your business or its assets or have a merger or re-organisation;
- Market research organisations who help to improve your products or services;
- Payment systems (e.g. Visa or MasterCard), if you issue cards linked to my account, who may transfer my personal data to others as necessary to operate my account and for regulatory purposes, to process transactions, resolve disputes and for statistical purposes, including sending my personal data overseas; and
- Anyone else where you have my consent or as required by law.

#### International transfers

My personal data may be transferred outside the UK and the European Economic Area. While some countries have adequate protections for personal data under applicable laws, in other countries steps will be necessary to ensure appropriate safeguards apply to it. These include imposing contractual obligations of adequacy or requiring the recipient to subscribe or be certified with an 'international framework' of protection. Further details can be found in the 'Using My Personal Data' booklet.

#### Identity verification and fraud prevention checks

The personal data you've collected from me at application or at any stage will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify my identity. If fraud is detected, I could be refused certain services, finance or employment in future. You may also search and use your internal records for these purposes. Further details on how my personal data will be used by you and these fraud prevention agencies, and my data protection rights, can be found in the 'Using My Personal Data' booklet.

#### Credit reference checks (this doesn't apply to the following accounts: Asset 30 Account and Sovereign 30 Account)

If I've applied for a credit product then in order to process my application, you'll perform credit and identity checks on me at my home and/or business address (if I am a business customer) with one or more credit reference agencies. To do this you'll supply my personal data to the credit reference agencies and they'll give you information about me. When you carry out a search at the credit reference agencies they'll place a footprint on my credit file. A credit search may either be: a) a quotation search where a soft footprint is left. This has no effect on my credit score, and lenders are unable to see this; or b) a hard footprint where I've agreed/requested Cater Allen to proceed with my application for credit. This footprint will be viewable by other lenders and may affect my ability to get credit elsewhere. You'll also continue to exchange information about me with credit reference agencies while I have a relationship with you. The credit reference agencies may in turn share my personal information with other organisations. If I am a business customer, the personal data shared with the credit reference agencies will relate to me and my business. Details about my application (whether or not it's successful) will be recorded and you'll give details of me, the business (where applicable) and my accounts and how I manage them to credit reference agencies. If I do not repay any debt in full or on time, they'll record the outstanding debt and supply this information to others performing similar checks, to trace my whereabouts and to recover debts that I owe. Records remain on file for 6 years after they are closed, whether settled by me or defaulted. A financial association link between joint applicants will be created at the credit reference agencies. This will link our financial records and be taken into account in all future applications by either or both of us until either of us apply for a notice of disassociation with the credit reference agencies.

The identities of the credit reference agencies, and the ways in which they use and share personal information is explained in more detail in the 'Using My Personal Data' booklet, or via the Credit Reference Agency Information Notice (CRAIN) document which can be accessed via any of the following links:

- [experian.co.uk/crain](https://experian.co.uk/crain)

#### My marketing preferences and related searches

You'll use my home address, phone numbers, and email address and social media (e.g. Facebook, Google and message facilities in other platforms) to contact me according to my preferences. I can change my preferences or unsubscribe at any time by contacting you. In the case of social media messages I can manage my social media preferences via that social media platform. If I'm over 18, you may search the files at credit reference agencies before sending marketing communications to me about credit. The credit reference agencies don't record this particular search or show it to other lenders and it won't affect my credit rating. You do this as part of your responsible lending obligations which is within your legitimate interests.

From time to time you'd like to contact me about products, services and offers that may interest me or to get my opinion on how you are doing. I understand you won't bombard me and I can choose to stop receiving information at any time by contacting you.

- All of the above

#### Automated decision making and processing

Automated decision making involves processing my personal data without human intervention to evaluate my personal situation such as my economic position, personal preferences, interests or behaviour, for instance in relation to transactions on my accounts, my payments to other providers, and triggers and events such as account opening anniversaries and maturity dates. You may do this to decide what marketing communications are suitable for me, to analyse statistics and assess lending risks. All this activity is on the basis of your legitimate interests, to protect your business, and to develop and improve your products and services, except as follows; when you do automated decision making including profiling activity to assess lending and insurance risks, this will be performed on the basis of it being necessary to perform the contract with me or to take steps to enter into that contract. Further details can be found in the 'Using My Personal Data' booklet.

#### Other information about me as a business customer (if I am one)

You may also hold all the information I give to you (i.e. name, address, date of birth, nationality) in order to undertake periodic due diligence checks which banks are required to undertake to comply with UK legislation.

#### Criteria used to determine retention periods (whether or not I become a customer)

The following criteria are used to determine data retention periods for my personal data:

- **Retention in case of queries.** You'll retain my personal data as long as necessary to deal with my queries (e.g. if my application is unsuccessful);
- **Retention in case of claims.** You'll retain my personal data for as long as I might legally bring claims against you; and
- **Retention in accordance with legal and regulatory requirements.** You'll retain my personal data after my account has been closed or has otherwise come to an end based on your legal and regulatory requirements.

#### My rights under applicable data protection law

My rights are as follows (noting that these rights don't apply in all circumstances and that data portability is only relevant from May 2018):

- The **right to be informed** about your processing of my personal data;
- The right to have my personal data **corrected if it's inaccurate** and to have **incomplete personal data completed**;
- The right **to object** to processing of my personal data;
- The right **to restrict processing** of my personal data;
- The right **to have my personal data erased** (the "right to be forgotten");
- The right to **request access** to my personal data and information about how you process it;
- The right to **move, copy or transfer my personal data** ("data portability"); and
- Rights in relation to **automated decision making** including profiling.

I have the right to complain to the Information Commissioner's Office. It has enforcement powers and can investigate compliance with data protection law: [ico.org.uk](http://ico.org.uk).

For more details on all the above I can contact your DPO or request the 'Using My Personal Data' booklet by calling 0800 092 3300 or I can view it online at [caterallen.co.uk](http://caterallen.co.uk).

#### Data anonymisation and aggregation

My personal data may be converted into statistical or aggregated data which can't be used to identify me, then used to produce statistical research and reports. This aggregated data may be shared and used in all the ways described above.
