2 Advice and / or Guidance

Yorssas Limited and Yorssas (Trustees) Limited are not authorised to provide financial advice.

There are a number of options available to you when you decide to access your pension fund. This is a complex financial decision that can have tax implications and may affect your future retirement income and / or the amount available to your beneficiaries in the event of your death. It may not be possible to reverse the decisions you make now, should you change your mind.

We strongly recommend that you discuss your circumstances with your Financial Adviser. Your adviser will be able to help you understand the options available and the implications of drawing your pension benefits in certain ways. They may also offer a personal recommendation based on your circumstances and objectives. If you do not have a financial adviser, you may wish to obtain details of financial advisers in your area via www.unbiased.co.uk.

Alternatively, guidance is available from Pension Wise - the government's free and impartial service, designed to help you understand more about your pension and choices at retirement. Whilst they cannot make a personal recommendation, they can help you understand your options. The guidance is available online, by telephone or face to face. Further information can be found on their website at www.pensionwise.gov.uk or by telephone on 0300 330 1001.

13 Member Declaration / Notes

I request and consent to the payment of benefits as set out in Benefit Payment Form and agree:

- A. That Yorssas may contact me for additional information prior to processing my application should they deem it necessary.
- B. If any changes are to be made to the amount or frequency of my income payments, I must give a signed instruction. This instruction will be faxed to 0141 762 1862 or scanned to info@Yorssas.com.
- C. It will be my responsibility to ensure that there are sufficient cleared funds in the Scheme Bank Account to pay my benefits as they fall due.
- D. Any income payments payable under Capped Drawdown will remain within the maximum amount allowable by HMRC.
- E. Should I wish to draw more than the maximum from my Capped Drawdown Plan, it will be converted to Flexi Access Drawdown.
- F. That accessing my pension benefits flexibly may trigger the Money Purchase Annual Allowance, which will reduce the amount of tax relievable contributions permitted to any UK registered pension scheme each year.
- G. That my payslip will be issued to my home address unless I send written confirmation to your office confirming an alternative address and why.
- H. If I take a pension commencement lump sum as the means to increase contributions significantly to any UK registered pension scheme it may be treated as 're-cycling' under certain circumstances by HMRC, and the lump sum may be defined as an unauthorised Member payment.
- I. That a bank charge may be applied to my fund if I choose for my pension commencement lump sum to be paid by CHAPS.
- J. I must take the maximum pension commencement lump sum (PCLS) available from the amount crystallised within 12 months of the date of crystallisation. If this is not adhered to, I will lose the right to the PCLS and a tax charge may apply to any funds subsequently withdrawn.
- K. That if my share of the SSAS is fully crystallised then no further contributions or uncrystallised transfer funds can be made to my existing fund in the future
- L. That until Yorssas receive the correct Coding Notice from HMRC, my taxable payments will be taxed using the Basic Rate (BR) tax code.

I have read and understood the notes on this form.
