We operate a clear, simple and transparent approach to our property charges. Importantly all charges are on a fixed cost[†] basis so you know what will be paid, and when.

We do NOT CHARGE:

- Based on the value of property being purchased
- Additional fees based on property type and/or tenancy

[†] All tasks involved in the administration of property held in your plan are covered by our fixed annual fees, and we do not charge on a time-cost basis. However, we reserve the right to charge additional fees for extraordinary requests or where we consider requests to be excessive or repetitive. We will always let you know in advance of carrying out any work, if there is to be any additional charge, and the basis for this charge, and will seek your prior permission before proceeding with the work. At Yorsipp, we believe it is important to allow an unrestricted choice in all aspects from investment selection to your choice of property professionals. We operate a No Panel structure where your clients are in control meaning they can benefit from local service from their trusted advisers rather than have a panel solicitor or property manager - and their associated costs - forced upon them.
